CHAMPIONSHIPS This competition is sanctioned by the Lifesaving Society. Event rules will be in accordance with this information package, Section 4 of the *Canadian Competition Manual*, and Section 5 of the *2015 ILS Competition Rulebook 2017 rev.*. The *ILS Competition Rulebook* and *Canadian Competition Manual* may be viewed or downloaded at www.lifesavingnb.ca.

ELIGIBILITY AND THE RIGHT TO PARTICIPATE Maritime championships are intended for bona fide lifesavers who have demonstrated a commitment to lifesaving – people who are lifesavers first, competitors second. The Lifesaving Society considers it unethical to recruit competitors for their high-performance athletic ability whose lifesaving credentials are tenuous or merely convenient for the purposes of competition. Employers, club management personnel and coaches are the key to preventing such unethical practices and must emphasize "play within the rules" behaviour. The personal conduct of managers and coaches is measured by the ILS code of fair play.

Maritime lifeguard championships are open to affiliated clubs or affiliate members in good standing. An affiliate member or individual member is in good standing unless their registered athlete or affiliate status has been revoked by the Lifesaving Society.

To be eligible to compete, competitors shall:

- Hold a current (within 24 months of the date of certification) Bronze Cross or National Lifeguard certification (any option).
- Be a minimum of 15 years of age as of the first day of the championships.
- Be a registered athlete (download form at www.lifesavingsport.ca or from www.lifesavingnb.ca).

Competitors must be members of the same affiliated club or employees of the same affiliate member of the Lifesaving Society.

A club may consist of any number of teams, in addition to any non-competitive management or coaching personnel.

Competitors may compete for only one club or affiliate member at a time.

Competitors are allowed to enter each event only once.

Composition of a Team

Teams must consist of two members and a minimum of one member must hold a National Lifeguard certification. Teams may consist of any combination of males or females. The same two competitors must enter and complete all three team events. One alternate may be named, but can only be used in the case of injury to or illness of a team member. A team member who is replaced by an alternate may not re-enter the competition. Participation by a third team member (other than the designated alternate) shall result in disqualification from the team awards.
