## Lifesaving Sport Mannequin

The new lifesaving mannequin has been completely redesigned. It is now more lifelike, more resistant and easy to use. The mannequin is made in Canada.

The contrasting white colour is actual moulded plastic and is NOT PAINTED on the mannequin therefore there is NO scratching off of paint or loss of contrasting color.

Hermetically sealed chest plug 2" opening to allow for the mannequin to be filled and emptied easily with water.

Bottom plug - opening of 2" and also hermetically sealed. Dead space on bottom of the mannequin is minimal which limits the quantity of water that is difficult to drain.

- SA-58790 Training Mannequin .....\$170.00
- SA-58800 Lifesaving Sport Mannequin .....\$295.00

## Lifesaving Society Pocket Mask

Various instructors and head lifeguards have tested Lifesaving Society's pocket mask. It has been found to be quite malleable, allowing for a better fit around the contours of the face. There are two models available: one with oxygen valve, the other without. Both models are equipped with: one-way valve with bacterial filter, transparent dome, elastic head strap, gloves, wipes, and come in a hard plastic carry case.

- SA-58345 Lifesaving Society pocket mask ..... \$14.50
- SA-58346 Lifesaving Society pocket mask with oxygen valve. \$18.90
- SA-58355 Replacement one-way valve ..... \$5.95
- SA-58359 Neoprene Pocket mask pouch ..... \$8.95

- SA-50080 Rescue Board 10'4 .....\$1089.00
- SA-50015 Board Protective casing 10'6 .....\$110.00

### Plastic Backboard

This is the board every pool should have. Made from plastic, you will have this board for years. Not only is it strong and durable, but also it comes with features such as a strip of plastic on the aluminum runners allowing them to slide easier on the edge of your pool. It features a strapping system where you can strap the victim in criss-cross. This board glides well in the water, rising gently to the surface in order to support the victim. The straps are included with the board and a warranty of 3-years is offered.

Dimensions: 43cm x 183cm / 28lbs

SA-52980 Plastic backboard.....\$480.00

3 year warranty

### Two-man flap

Made from high-density polyethylene rubber, the two-man flap (blue on the picture) is flexible and resistant. It turns your regular backboard into a two-man board. It can be used in a pool with a deck up to 30cm higher than water level. Only be used with the plastic backboard (SA-52980).

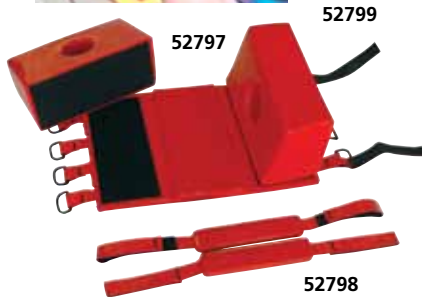

SA-52811 Two-man flap (up to 30cm) .....\$49.50

### Head Immobilizer

Used for immediate and complete head and cervical immobilization, this head immobilizer can be secured firmly onto a backboard in seconds. It features a single-unit construction to fit all head sizes, and easy-to-clean vinyl covering. The complete head immobilizer consists of 2 foam head supports, adjustable base plate assembly with Velcro backboard strap, 2 head straps, and weighs approximately 3lbs. Replacement parts are also available.

- SA-52800 Head immobilizer (complet kit) .....\$95.00
- SA-52797 Base plate for immobilizer.....\$65.00

- SA-53310 Buckled straps (5) (for SA-52980) .....\$62.00

### Ambu® Adjustable cervical collar

The Ambu® Perfit ACE is a revolution in disposable adjustable collars. It offers the most effective and accurate fit ever. The adult Perfit ACE offers 16 precise settings for a customized fit and you can adjust it to be either a no-neck, short, regular, or tall collar. It also has a large tracheal hole. The Mini Perfit ACE is specially designed for patients with small neck and offers 12 precise settings. You can adjust the size for infant, pediatric and small adult. Not only is it practical, but also easy to use.

- SA-53804 Mini Perfit ACE adjustable collar (pediatric) .....\$26.00
- SA-53805 Perfit ACE adjustable collar (adult) .....\$26.00

53804

53805

### Hook for Backboards

This hook must be used to prevent damage to backboards when not in use. The backboard SA-52980 requires two hooks.

SA-50300 Hook for backboards.....\$28.00

58224

58225

- SA-58224 Blanket, 30% wool, 60" x 84" .....\$19.95
- SA-58225 Blanket, recycled fibers, 60" x 80" .....\$14.95

SA-52600 Foam splint .....\$11.90

52700

SA-52700 Speed Splint™ 4" x 8" .....\$12.90

## Ring Buoys

All models are made from the highest quality materials and can be used indoors or outdoors. The 24" and 30" plastic models have obtained the Canada Transport Approval ("DOT Approval") and the foam model has obtained the U.S. Coast Guard Approval. All four models are orange in color for greater visibility. The 5/16" floating safety rope is not included with life rings.

- SA-51000 20" dense coated foam ring buoy .....\$78.00
- SA-51200 20" plastic ring buoy .....\$65.00
- SA-51300 24" plastic ring buoy .....\$79.00
- SA-51305 30" plastic ring buoy .....\$115.00
- SA-52000 5/16" floating safety rope (per foot) .....\$0.55

## Rescue Tubes

A multi-functional product that can be used at water parks and for lake, beach or pool rescues. They can be used for towing a victim, supporting the rescuer, or handed to a victim for assistance. Both models are triple-dipped in a red vinyl covering to protect it from the elements. Our 50" rescue tube measures 50" x 6" x 4" and has a 2" shoulder strap loop style. Our 40" rescue tube measures 40" x 6" x 4" and has a 2" shoulder strap loop style.

- SA-51790 40" Rescue tube with brass clip .....\$75.00
- SA-51800 50" Rescue tube with loop .....\$82.00

## Boat Safety Kit

The Fox 40 boat safety kit includes all the minimum safety requirements for your personal watercraft. The marine flashlight, pealless safety whistle, water safety rope and float fit perfectly into the easy to grab bailer and capped with a mirrored lid. Complies with the Canadian Coast Guard safety equipment requirements.

- SA-51834 Boat safety kit .....\$22.90

## Rescue Can

This 25" rescue can is manufactured from high quality plastic, is red in color, and features textured plastic at all handle areas and an ergonomic design with streamline point.

- SA-51405 25" Rescue can ..... \$99.00

## Deluxe 25" Rescue Can

We also offer a deluxe 25" rescue can that is ideal for rugged environments. This model features plastic that has a higher impact resistance as well as a deluxe towline. The cord used to make the towline is made from a softer, supple material that is highly visible due to it being yellow in color. The rescue can itself is also yellow and more visible from distances. It features textured plastic at all handle areas and an ergonomic design with streamline point.

- SA-51400 Deluxe 25" rescue can .....\$124.00

## Throw Bag

Our throw bag was designed for institutional use for indoor pools, outdoor pools, and waterfronts. The bag is made from abrasion resistant material at each end and is equipped with black mesh sides that allow for proper ventilation. Comes with 20m of floating safety rope inside the bag. It is available with or without a waist belt.

- SA-51825 Expert throw bag .....\$95.00
- SA-51827 Expert Plus throw bag (with belt).....\$99.00

## Water Safety Throw

The Fox 40 water safety throw is a good alternative to fabric throw bags. The body of the throw, with its integrated handle, is clearly visible and easy to grasp. A quick-release plug prevents the rope from deploying inadvertently. Equipped with a 50ft (15m) length premium-quality polypropylene braided floating rope. Complies with the Canadian Coast Guard safety equipment requirements.

- SA-51832 Water safety throw ..... \$21.25

## Megaphones

We have three types of megaphones, which may be used inside or outside. Our battery-powered models have 12/18 watts of output and a range of 720 yards. Model SA-56500 is equipped with a shoulder strap, hand-held microphone, and siren with volume control. Model SA-56600 is equipped with a pistol grip handle and a siren with volume control. Both require six C-size batteries. We also have a light model that does not require batteries (SA-56495).

- SA-56495 Light megaphone.....\$39.90
- SA-56500 Hand-held microphone megaphone .....\$175.00
- SA-56600 Pistol grip megaphone.....\$159.00

## Diving Bricks

These diving bricks allow you to test the capabilities of your staff. The 9kg (20lbs) diving brick is the one required during qualifying and requalifying National Lifeguard exams all over Canada. A 4.5kg (10lbs) brick is also available. Our diving bricks are easy to pick up and carry, and each model is a different color for quick and easy visual recognition.

- SA-50500 Diving brick (9kg/20lbs) .....\$99.00
- SA-50502 Diving brick (4.5kg/10lbs) .....\$52.90

## First Aid Kit

This first aid kits is completely equipped to handle most minor emergencies , in accordance with the New Brunswick Occupational Health Act. This First Aid Kit is for all workplaces with more than 1 employee.

- SA-54210 Portable first aid kit.....\$65.00

## Parasols

We offer a heavy-duty, weather-resistant double laminate vinyl parasol. It opens to giant 6 1/2 feet (78") and is 93" high. The parasol is made from 6 panels in alternating colors and is equipped with 1 1/2" aluminum 2-piece frame with tilt feature.

- SA-57801 Heavy-duty 78" parasol (blue/white) .....\$119.00
- SA-57802 Heavy-duty 78" parasol (red/white) .....\$119.00
- SA-57803 Heavy-duty 78" parasol (green/white) .....\$119.00

## Ambu® SPUR II Resuscitator

This resuscitator is fully disposable, thus eliminating any risk of cross-contamination. The compression bag recoil time is extremely fast and the inspiratory/expiratory resistance is very low. The valve-controlled oxygen reservoir system is equipped with a closed oxygen reservoir bag. Other features: transparent in color, molded-in support strap, syringe port, latex free, and splash guard on expiratory connector. The adult model is designed for body weight of at least 66lbs or 10 years of age.

- SA-58330 Ambu® SPUR II Resuscitator (adult) .....\$29.00

## Rescue Pump

The Ambu® rescue pump is a portable, manual, hand-operated emergency suction pump. This pump can be used for pharyngeal and tracheal suction and for both adults and children with the adjustable vacuum (100%, adult or 50%, children). Adult and infant catheters are included. The overflow protection valve prevents contamination inside the pump/handle and the disposable collection container means no cleaning/sterilization is required. It is the most versatile, hand powered emergency pump.

- SA-58322 Rescue pump complete .....\$88.00
- SA-58323 Disposable canister kit .....\$15.00
- SA-58324 Red soft carry case .....\$19.90

# Pictograms

Our weatherproof pool signs are designed especially to meet the needs of commercial aquatic facilities. We offer a complete line of internationally recognizable pictograms to make your facility safe and to help your patrons follow the rules. Made from resistant plastic, these pictograms are easy to install in any facility.
