CHAMPIONSHIPS

This competition is sanctioned by the Lifesaving Society New Brunswick. Event rules will be in accordance with this information package and Sections 2 and 3 of the *ILS Competition Rule Book (Rev. 2023)*, Section 2 of the *ILS Short Course Pool Events Addendum (2020 Edition)* and the *Canadian Competition Manual (2019 edition)*. The *ILS Competition Rule Book (Rev. 2019)* may be viewed or downloaded on the [ILS website](#)

ELIGIBILITY AND THE RIGHT TO PARTICIPATE

New Brunswick championships are intended for bona fide lifesavers who have demonstrated a commitment to lifesaving – people who are lifesavers first, competitors second. The Lifesaving Society considers it unethical to recruit competitors for their high-performance athletic ability whose lifesaving credentials are tenuous or merely convenient or the purposes of competition. Employers, club management personnel and coaches are the key to preventing such unethical practices and must emphasize "play within the rules" behaviour. The personal conduct of managers and coaches is measured by the ILS code of fair play.

New Brunswick Pool Lifesaving Championships are open to individual members, affiliated clubs or affiliate members in good standing. An affiliate member or individual member is in good standing unless their registered athlete or affiliate status has been revoked by the Lifesaving Society.

To be eligible to compete, competitors shall:

- Hold a current (within 24 months of the date of certification) Bronze Medallion, Bronze Cross or National Lifeguard certification.
- Be a minimum of 15 years of age as of December 31st, 2025.

- Be a registered athlete (download form at <http://www.lifesavingsport.ca> or from <http://www.lifesavingnb.ca>).

Competitors must be members of the same affiliated club or employees of the same affiliate member of the Lifesaving Society.

A club may consist of any number of competitors, in addition to any non-competitive management or coaching personnel.

Competitors may compete for only one club or affiliate member at a time.

Competitors are allowed to enter each event only once.
